Some general rules must be taken into account when choosing your courses:

- Most courses are ONLY OFFERED in one Semester.

Most in-demand courses or most impacted courses:

Although our offer in English-taught courses is very wide, there are some of them which are **highly demanded**. We recommend partner institutions to emphasize course flexibility to their students and bring some additional courses approved in case their first options are not always available. They should agree these reserve choices with their home academic advisors.
