## Campuses at Tampere University

Tampere University has three campuses: in the city centre, Hervanta and Kauppi in Tampere. The **city centre campus** is a hub for education, business and management studies, natural sciences, life sciences, politics, communication, and social sciences. **Hervanta campus** and the surrounding area constitute a major technology hub and is a main campus for engineering students. The **Kauppi campus** is located near the Tampere University Hospital and is the home base for medicine and health sciences. Read more: [Campuses at Tampere University](#)

## Language requirements

The required level of knowledge of English is **B2**, however, in the *Degree Programme in Languages, Specialisation in English Language*, the required level of English is **C1**. For more details and exceptions, please see the [How to apply](#) instructions.

## Courses and restrictions

Tampere University offers a wide range of study options for incoming exchange students. Some field-specific restrictions may apply, e.g. architecture, medicine, theatre arts. Exchange students can choose courses from different [faculties and units](#) according to their own interests if they meet the course prerequisites.

Incoming Erasmus+ students are expected to select the majority of courses in the subject fields stated in the respective IIAs.

## Student's Guide for incoming exchange students

More information about the academic system, grading, student housing, living costs, Welcome Week and our tutoring programme is available at the [Student's Guide](#).
